Our Sherwood Forest LOA Messenger group is used to quickly let folks know what is happening on the road i.e. bear sightings, geese are back, when the road will be plowed etc. If you would like to be added to the chat, please contact Jo Marchand jo.marchand@ns.sympatico.ca

Roadway Brushing

Each property is responsible for the removal of excess brush in front of their properties. Brushing ensures...

- ✓ there are clear sight lines
- ✓ the roadway width is protected during snow removal
- ✓ access for ditching and culvert repair

The Association has purchased a brusher/gas trimmer and a gas poll saw that is available to property owners for this purpose. Please replace the gas upon return. Please contact Peter Shortt at #278.

Donate Your Refundable Cans & Bottles

The Association uses this money for road beautification and the annual Summer Party.

1. Place all refundable cans and bottles in a clear blue recyclable bag.
2. Drop them off at the end of the driveway at 294 Sherwood Forest Rd (Kevin and Nancy Green).
3. Please refrain from putting any garbage in the recyclable bag.
