

## Did you know?

### Burn Permits

You no longer need a burn permit to burn brush or have a bonfire. NS Resources have changed their regulations. You'll find more information on their website <http://novascotia.ca/natr/forestprotection/wildfire/burnsafe/>

### Busher / Gas Trimmer

The association has purchased a busher / gas trimmer that is available to association members who are in good standing. It is stored at Peter Shortt's (#278). Just replace the gas (thanks).

### Garbage Sheds

It's been an ongoing issue that people are not respecting the best practices associated with garbage and recycling removal. We don't know if it's people on SF road or strangers off of Highway #14. We'd like to remind folks that the same rules apply here as do at your home. The calendar you get every year (distributed at the party) illustrates dates for special pick-ups.

If you rent your property, please ensure you advise your renters of these requirements. The dump is only 6 kilometers away, there is no charge, and you just provide your address on the road.

## 1<sup>st</sup> Winter Get Together

Many have expressed interest in a Winter Get Together. Here are some ideas.

Date: either Saturday Feb. 17<sup>th</sup> or 24<sup>th</sup>.

Time: 2pm

### Suggested Activities ...

- Pot luck
- Ice Skating
- Golf on the lake – longest drive and closest to the hole competitions
- Snow shoe race
- Tobogganing
- Bon fire
- Suggestions welcome ...

Just need to know your preferred date and the activities you'd like. **Please RSVP by January 31<sup>st</sup>** to any member of the executive.
